Goals of the National Webinar

- Address the redefined role of the section, and explain how important each of you are to ensuring the success of our 266 lodges in the organization. It must be understood that our section leadership are the boots on the ground task force that exist to support, guide, and enable the lodges within their respective sections.
- Deliver new concepts focusing on the 3 key performance indicators: Unit Election Rate, Induction Rate, & Activation Rate.
- Assign and lay out a 3 year plan to ensure each lodge reaches the status of "high performing", meaning they have a 90% Unit Election Rate, 90% Induction Rate, and 50% Activation Rate.
- Issue an organization wide call-to-action, including a commitment and a declaration to elevate all 266 lodges to high performing status.
