

## OA Hackathon

The Order of the Arrow held its first Hackathon this month from October 6-8, at the Intel office in Folsom, California. Arrowmen from around the country joined forces with Intel engineers armed with the latest technology to create new and innovative solutions. Attendees had 24 hours to hack together new tools for the Arrow including the national registration system, LodgeMaster, and the OA Mobile App.

Pictured left to right: Charlie Lovell, Tim Stewart, Connor Puckett, Theron Osterhout.

At Hackathon, attendees split into teams of four, and hacked up new ideas based on the league they were a part of. There were three leagues you could join, Games, Connections, and Delivery. Three members of Amangi Nacha Lodge, as well as member of Toloma lodge came together to form the team, OALeague. The team developed a reward system for OA Members. Points earned through event attendance, OA and ceremonies trivia, fun crossword and drum puzzles. Points are used for increasing your user rank on the Leaderboard in order to go to the next Leaderboard Level. OALeague won overall in the Games League, Congrats guys!

## Lodge Dinner 2017

Following Takaschin, the final event of our 2017 Lodge Year will be held in the same Location... THE Lodge Dinner. This will be a time of recognition for our outgoing 2017 Leadership team, and those who have helped us along the way. The Dinner menu will include a variety of BBQ dishes that will be provided by Back Forty in Roseville. The cost of the dinner is \$25, and will include a meal and program access that night. There will also be a silent auction prior to and during the dinner that will contain a variety of Scouting memorabilia as well as some other prizes, so you may want to bring some extra money if you are an Avid collector or like auctions. This night marks the last of the 2017 year, and the beginning of the 2018 year, so it will be an event you do NOT want to miss!

## Social Media

To many arrowmen email and calls are not their only ways of receiving information. Believe it or not, the Order of the Arrow embraces Social Media as a form of communication and even promotes it. Here are some different ways to keep in touch with OA through social media.
