## Lodge Training and Dinner

The day started out at Beale Air Force Base in the bomb training center's auditorium with a welcome and over view from Lewis McCrary. This was followed by a session from Morgan Maier on Meeting Planning and J.P. Jones on Inductions and the new changes this year. Lunch was served at the base mess where we had unlimited choices of food and drink. We were joined by several Flight Squadrons that ate with us which gave us an opportunity to find out what they do.

After lunch, the day started to really pick up. Several training classes were presented at the same time. It seemed that classes were given on everything from how to be a successful Elangomat, by JP Jones and Mr. Wacker, to Lodge and Chapter Program, by Mr. Woodward. A few classes of special interest to me were: the class given by Mr. Gaffney on Communications and Camp Promotion instructed by Richard Bright and Mr. Rogers. The Adults present attended classes on Leadership and Beyond from Mr. Spitler. I was told that Advising for Advisors, presented by Mr Frith and Mr. Bright, gave valuable leadership skills to all those who attended.

The training lasted until 4:00 p.m. At that time we either went to the gym, the bowling ally, or even the Base Exchange. While we were touring the base, a short Lodge Council of Chiefs meeting was held confirming future dates and making plans for upcoming Lodge events.

In my opinion, the best part of the day was dinner. We had a great Texas BBQ with all the trimmings. I could not even begin to recap all of the awards and certificates that were handed out to some well deserving members. The final awards from the Fall Fellowship were given out and Miwok took the overall best Chapter.

Our Staff Advisor, Mr. Allred, was the guest speaker. He gave us a challenge and an overview on what our great Lodge is doing. Sean Gaffney, the Vigil Chairman, announced the 2000 Vigil nominations and hung Triangles around their necks. They will keep this symbol until their induction in March of this year. The 2000 Vigil nominees are Lewis McCrary (Irekwan), Brian Wilkinson (Tito Wa), Tony Mastrogiovani (Kodo-Noko-Woli), Ryan Syarr,(Tito..., Brian Wilkinson (Tito Wa), Jonathan Trachy (Wintun), John Gregory (Miwok), and Michael Mihalyi (Kodo-Noko-Woh). After closing with the Arrowman's song, we happily departed having a great day to remember until next year,

**Kodo Noko Woli**

The Chapter has continued working hard on the District Camporee. It has been moving along very well and is beginning to take noticeable shape. Unit elections have been scheduled and are currently being carried out. Our Ceremony teams have been formed and have started to learn their lines. There has been a Call Out, Ordeal, and Brotherhood team put together.

Yours in Brotherhood,  
Joshua Whitcomb

**Eluwak Chapter**

We have been bursting with things to do here in the Eluwak chapter. The most important thing will be elections; we will conduct elections within the next two months. At our last meeting we had the Lodge Vice Chief of Inductions, JP Jones presented a session to a new group of members how to conduct elections correctly. With out JP we would have been lost, because most of our chapter officers, including myself, only joined this past summer. Thank you JP!

At the same meeting we had our Christmas party. There was a lot of great food thanks to Gerry Albright, our chapter adviser. We ate to our hearts content. Thanks Gerry we could not have done it without you!

Although it is cold and raining out side we are still plowing away at our new tee-pee. We are also looking forward to a very successful Camporee. Everything is going to be set in stone within the next month. Although I have not told any one yet, I am looking in to the logistics of participating in the 4th of July parade held ever year in Carmichael. We could come out with a float or something to peak interest in our great program.

Yours in Brotherhood,  
Andy Cater  
*Eluwak Chapter Chief*

**Wintun Chapter**

The Wintun Chapter held its annual November Chapter Dinner with over 30 Arrowmen and family members in attendance. Al Vitzthum and Bill Booth did a great job of cooking the turkey and stuffing. The Section Chief, Jacy Krogh, was in attendance and installed the new Chapter officers. Chris Woodward ran the program, which include introductions, a visit by perennial scout Judge Richard B. Eaton, and an outline of upcoming events. The Chapter will begin training at the January meeting for upcoming unit election. The Chapter will also be working hard to form two Ceremony teams.

Yours in Brotherhood,  
Chris Woodward

**Ta Tanka Ska**

The chapter has been busy the last two months. The last of November we did an arrow of light and bridge crossing ceremony for pack 478. In December we were asked to serve a dinner for the American legion post with the state department commander and the national commander visiting. We had 11 youth serving it and we were given a contribution that we did not expect.

We had our Christmas dinner the following Monday at the adviser's home and during our business meeting, the boys elected to use part of the money for their dues and give a donation the Amador interfaith food bank. The chapter has tried to support some of the organizations in our area. The first part of November we gave a donation to Christmas committee to help with the Christmas baskets. 540 baskets were distributed this year and the funds were put to good use by buying meat vouchers for the baskets.

We are working on our ceremonies for the ordeal and setting up our visitations for the upcoming elections.

### **Kowaunkamish**

January and February are used to hold elections and reviewing committee/team assignments. Eagle Scout Eric Wright and Star Scout AJ Gouge have put together an election slate for elections for the January meeting.

We have started planning the Spring Camporee for the Buttes Area and Gold Country District. The Irekwan Chapter will be working with us to prepare a great 2001 Spring Camporee. Eagle Scout Mike Mihalyi has started putting his committee together and making preliminary plans. He will provide a report at the January Council of Chiefs.

The Election Package was mailed to each Team/Troop Leader and Committee Chairman. Each unit was assigned a month (Jan, Feb, Mar) to hold their election. Eagle Scout Luis Weger and Richard Barnes-Allan will coordinate the OA Elections.

Teddy Green has developed a training pamphlet to assist Ordeal members achieve Brotherhood. We will present it to the Lodge at the January Council of Chiefs.

Yours in Brotherhood,  
Michael Mihalyi

### **Amangi V**

During the Lodge Recognition Dinner last November; Amangi V came away with two first place and one third place awards for the activities at the Fallon Naval Air Station

Fall Fellowship. Newly elected Chapter Chief Warren Mulcahy accepted the awards for first place in Water Transport and Volleyball and a third place in Soccer. The 2001 Fall Fellowship is slated for Beale Air Force Base.

Important news for adult Arrowmen! Dues have been reduced to \$10 for the year 2001. Youth Arrowmen dues are still \$10. For a registration form or other goings on in Lodge 47, forms, calendars, activities, etc., go to the [temporary](http://www.gec-bsa.org/Lodge47) OA website [www.gec-bsa.org/Lodge47](http://www.gec-bsa.org/Lodge47)

As we begin a new year in the Amangi V Chapter, our focus is directed towards Elections. Arrowman Andy Hoover is the Vice Chief of Induction and is heading this campaign. Amangi V members who are interested in serving on election teams can call the chapter advisor, Jeff Mulcahy, (916) 773-2971. This is a huge task and your help is needed. This opportunity will also provide a reminder as to what it means to be an Arrowmen. We're looking to increase our numbers, so Arrowmen (both youth and adults) remind your units that this is election time and have them call to schedule elections during the coming months.

This is also a time of Bridging Ceremonies in the Cub Scout Packs. Those interested in participating in Bridging Ceremonies are encouraged to call Debbie Hora, (916) 725-7417.

Amangi V's current officers are: Chapter Chief Warren Mulcahy, Vice Chief of Program Chris Patterson, Vice Chief of Induction Andy Hoover, Vice Chief of Communications Kent Gilmore, Vice Chief of Camping & Service Joel Frederickson, Vice Chief of Finance & Trading Post Jacob Mulcahy, and Vice Chief of Indian Lore Devlin Hora.

Yours in Brotherhood,  
Warren Mulcahy

### **Proposed change to the Bylaws**

At the Lodge COC, a proposal to change the Lodge bylaws was initiated. A motion and a second was received. The change will be voted on by the youth at the next COC in February. The submitted change is as follows:

"All chapters are required to hold their Chapter Officer elections by October 31"

### **Tito-Wa**

These last few months have been exciting ones for Tito-Wa. At the lodge dinner two of our fellow Arrowmen, Ryan Starr and Brian Wilkinson, were nominated for Vigil Honor, congratulations to you both. I would also like to congratulate our Chapter Advisor Mr. Wilkinson, and Mr. Tanner on their recognition for outstanding service to the lodge. During the month of November several members of our dance and drum team performed at the council dinner. Thanks to their efforts we were able to put on a wonderful performance for the Chief Scout Executive. The upcoming months should be exciting as well. With elections coming up there will be opportunities for all Arrowmen to give service back to the local troops and I hope that everyone will be able to get involved. Also opportunities will be available for those interested in being on one of our ceremonies teams with the upcoming call-out and ordeal. Happy New Year and I hope to see you all at our next chapter meeting.

Yours in Brotherhood,  
Brian Page  
*Tito-Wa Chapter Chief*

### Lodge Chief

I hope that everyone had a joyous holiday season. As we prepare to embark on this New Year I am struck by the many challenges that the lodge faces in this New Year. This year will be full of challenges, not the least of which is our goal to attain Quality Lodge status and host this year's W3B conclave. However daunting these challenges may appear, we must never forget what they really are simply opportunities for us as a lodge to excel. Though our goal to be a Quality Lodge may seem difficult, as it indeed will be, the benefits we will receive far outweigh the effort. Let all of us do our best in talking up our Order to all units of the council, and make this year the best we've ever seen in terms of numbers of candidates and well presented Ordeals. And lastly, I would like to further emphasize that it will take all of us to be a Quality Lodge, and I look forward to your doing your part.

Yours in Brotherhood,  
David A Butler  
*Lodge Chief*

### Communications

Fellow Arrowmen, I would like to thank all of you for my nomination for vigil honor. I would like to take the time to thank all of the chiefs and advisors of the 1999-2000 year for all of their great articles that they submitted to the newsletter. I would also like to thank David Ashe for a wonderful November newsletter. We still need dedicated Arrowmen on the newsletter staff. I'm looking forward to a wonderful year ahead of us and I know that the rest of the lodge will agree.

Yours in Brotherhood,  
Jonathan Trachy  
*Lodge Vice Chief of Communications*

### Indian Lore

As you're new vice chief of Indian Lore I have high hopes that we will build a new face for Indian Lore. We have been presented with many undertakings that I want to jump into as soon as possible. First, I have noticed some concern in the quality of our ceremonies. In order to make our teams better I will provide time during the lodge meetings for chapters to bring their teams and work on the ceremony. Secondly, the lodge would like to have a lodge ceremonies team. The way this will work is each willing chapter will have to compete against the other chapters to become the lodge team. The lodge team will be able to use the lodge regalia (which I'll discuss in a moment), and represent us at NOAC and other competitions. Third, we have been allocated money for the sole use of buy regalia, and I plan to max that out. I will need people to help me choose items for the outfits and put them together, if necessary. These outfits will NOT be cheap fleece and plastic. We are going all out and like I said. I WILL max out the account. We want to make these look as authentic and presentable as possible. Lastly, there will also be time for any chapter who wishes to create a dance team. We all know it is a huge project and requires help. so any who want to create a dance team email me at dragula@antisocial.com. You can email me with any other questions to that address as well. This promises to be a good year in Indian Lore and I hope that we can accomplish all we set out eyes on.

Yours in Brotherhood,  
Ryan Starr  
*Lodge Vice Chief of Indian lore*

### Camping

Hello fellow Arrowmen my name is Richard Bright and I am the vice chief of camping for the lodge for this year. I am looking forward to this year and I am already working hard for you. I would like to tell you what is coming up. As some of you may know we the lodge is planning to have a mini trek out of glacier trails this summer. Although, we don't have a date, the council is giving us full backing and this outing should be very cool. Also, I have been trying to form a group to go to Philmont this year but it happens that Philmont is booked solid for the next year. With your help, I would like to start planning for next year. My adviser is working very close with me and we have many ideas for this year. If your Chapter has not received your Camping packets for the unit elections please contact me. My adviser and I have created this packet as a tool for the camp promotion that you are suppose to do at the unit elections. With the help of many people, I have come up with a set of guide lines that might help also there will be program information of all the council camps and some resources for more information on where to go camping. This is and can be an effective tool for the chapter and I urge you all to find a copy for yourself. I have also started thinking about the camping booth for the conclave this year. I need ideas of what sort of things that you would like to have in the booth. Remember that the goal is to showcase the uniqueness of our lodge and we should have a theme that is indigenouness to our lodge. I am open for all suggestions.

Yours in Brotherhood,  
Richard Bright  
*Lodge Vice Chief of Camping*

### Inductions

Hey all you Arrowmen. How's it going? Hope you all had a nice winter break because we have a lot of work ahead of us to receive and prepare our future brothers. By now your chapter should have already started the unit elections. It is very important that all units are contacted and informed of the elections. They do not have to hold an election but they must be contacted. By now your chapter chief and advisor have received further training on the election process at our last lodge meeting, they have been notified of the new requirements as well. I need your unit election report forms as soon as possible along with the electronic version. Also, this is more toward the advisors, the adult nomination forms need to be reviewed and sent in to the lodge soon. The unit election report forms are due by April 30<sup>th</sup> and the adult nomination forms are due in the lodge March 2<sup>nd</sup>. Please try to have them in before the deadline. Chapters, you also need to be starting to plan your ordeals. This includes your elangomat training, ordeal and brotherhood ceremony teams, and making sure you have plenty of supplies (sashes, lodge flaps, etc.). This is going to take some work to plan and carry out these next few months, but if we all work together it will work out a lot easier and will be more enjoyable.

Yours in Brotherhood,  
JP Jones  
*Lodge Vice-Chief of Inductions*

### Newsletter Editor

I have been chosen to be the new newsletter editor. David Ashe had to back down for personal reasons, but has offered me his help, pretty cool huh?

Well, it will be my pleasure to be the Newsletter editor and work along side Jonathon Trachy. I will try my best to get this newsletter to be the best it can be. I will try to keep you all update the things to come in this newsletter and also change a couple of things.

Yours in Brotherhood,  
Michael Jennings

**HAPPY NEW YEAR FROM THE "LAMA"**

I hope everyone in our lodge had a great holiday season and is ready to go for a fast paced year of Scouting and fun. We have a *very* full calendar of events for the year. Starting with new candidate ELECTIONS this month. The COUNCIL DINNER needs our super services again this year on February 17. Not far behind is the VIGIL overnight on March 17th, with the W3A conclave in April. May begins the ORDEAL season with Lassen on May 8th, Winton on June 1st, Pahatsi on June 22, and G.T.S.R. on July 6th. As you can see we have very little time to be ready for all these events. The lodge has returned to a full year of Lodge meetings, nine together as opposed to four or five in the past years, in order to work on event planning and support. The main effort really must come through the CHAPTERS in order to provide a high quality program. NOW is the time for all the NEW members from last year as well as those hard core or lost in space types to attend their chapter meeting and become involved with a part of the program they would have FUN doing. Remember to make your own fun don't wait for someone else to

start the game! The Lodge has given out NEW CHAPTER TRAINING CD's to all the chapter advisers to help each chapter work better and with far less pain and effort. Miwok chapter gave this one a test drive last year and it WORKS! Each chapter should be working on Elangornat training to be sure your chapter has a caring and quality clan leader at EVERY ordeal your candidates attend. Chapter ceremony teams need to have monthly practices to be ready by the May and June ordeals. Ordeal members need to seal their commitment by attaining BOTHERHOOD. This too can and must come through training in the chapter. Our future lies in our NEW members and a Quality CHAPTER program. It is every members responsibility to be involved and support their CHAPTER Chief's and Adviser's efforts in your chapter so we can ALL share the burden of the task and have more FUN and PARTY time for everyone.

As always it is a privilege to serve You and our Lodge as Adviser,  
Larry Frith  
Lodge Adviser

Indian Lore

Do you want to have great program ideas for chapter meetings? Do you want your arrow men enthusiastic about the OA? Well, regardless if you answered yes or no, here is a way to energize your chapter: Indian Lore. Monthly meetings can include choker making, ribbon shirt decoration, bandolier making, feather tying, outfit construction, and dancing. These activities need not be something we will do next year, or the year we actually have some money, or the year you're replaced for a new advisor. The time is now! The opportunities are now! Please come to the Council of Chiefs meeting with your needs and desires. Attend the Indian Lore session and make that New Year's resolution a reality. Contact me for any questions my phone number is (530) 758-5913.
