Volume VII Issue II

Welcome, Welcome, Welcome (WWW)

I want to welcome you to our lodge. For some of you, this is the first copy of the Squawks you will read. But for you old timers read on, you may find useful information. Before your "Ordeal" you thought that WWW stood for the World Wide Web, now you know it stands for Wimachtendienk, Wingolauchsik, Witahemui or in English the brotherhood of cheerful service. You met the mighty chief, All a wats sa who? You heard about bows and arrows and who had to be silent, well at least try, and what about the menu the day of your Ordeal, what was that all about? And work, make me work that hard and not feed me, what kind of organization is this? For the answers to these question and many more, go the jump start page of the OA National website. www.oa-bsaa.org, there you will find an explanation for the Ordeal and learn how to pronounce the words Wimachtendienk, Wingolauchsik, Witahemui. You can hear the song of our Order, you can learn how to advance in your understanding of the traditions of the Order. You can learn how to seal your membership in brotherhood. For those of you who have been around for awhile you can play the brotherhood game, see how well you can score, without studying the accompanying material.

Besides the website, you should begin to attend your chapter and lodge meetings. Here you can help Amangi Nacha stay the best lodge in the west! We have the trophy to prove it. But, we do not want to stop at the best in the west, but, we want to the best in the nation! To do that we need you, each and every one of you. Come and be active. Learn to dance, or become part of a drum team. Learn a part and become part of the ceremonies teams or just come and help in anyway you feel you can contribute, just be involved. Please read carefully the chapter pages, Also, note that on page 14, an explanation of the activities of the lodge, you will find registration forms for most of these activities in this newsletter.

Again welcome, and get involved, this is your lodge and it will get as good as you want it to be.

Dear Brothers,
I JP Jones
Lodge Chief
WWW

Vice Chief of Camping

Hello my fellow arrowmen.
Greetings, the camping meeting met at the last COC. We have a productive meeting, here are some things we talked about:

1. OA Trail crew for both Philmont and Northern Tier, the lodge will pay the \$100 fee they charge. All you have to do is find a way there.
2. Camping book-even though we are having some technical problems, we should have it out anytime now.
3. It grieves me to tell you GTSR will not open this summer as a summer

camp, so only promote the others as a choice for summer camp in our council.

So long for now
Youths in Brotherhood,
Stephen Whitcomb
V.C. Camping

Vice Chief of Programs

Program has been doing very well. We currently have heads to lead up Fellowship, and the Lodge Dinner. Richard Fuller will be running the Lodge Dinner for us and has been getting input from the Lodge Program committee. Some of the Ideas are slide show, another patch auction, and some other fun activities to break the monotony of award handouts. Any input on what you think would make the lodge dinner more of a success is welcome. I will be leading up Fellowship and we already have a theme

Midway of Brotherhood. There are four sporting events and eight fun carnival activities to look forward too. The Fellowship will be held at Camp Pollock this year on August 22nd-24th. It should be a lot of fun and we hope to have a lot of people out there.

Joshua Whitcomb
Lodge Vice Chief of Program

A Word From Finance

We made a mailing in January of the billing for dues along with your 2003 OA Membership Card. For some reason many of these mailing did not make it out to the members. Since the Lodge has no way of knowing who did and didn't receive their cards, we have set up the following procedure for those missing their cards. Contact Alex Zakrzewski, the Youth Financial Representative, either by phone or e-mail and he will see to it that new cards are issued. His phone number is (916) 482-9804 and his e-mail address is alex-zak@attbi.com. It is preferred that you use e-mail to contact Alex.

New Elangomat Award

This award is designed to encourage and reward the arrowman who fulfills the requirements for the award. The award consists of a silver mylar border flap, which can be worn in place of any standard lodge issue. The requirements are established in concert with the goals of the Lodge. The two primary goals of the Lodge are.

1. Attain at least 35% Brotherhood conversion.
2. Continue strong positive growth and member retention.

The requirements for the Elangomat Service Award are:

1. Complete the on-line or Lodge Elangomat training program prior to the ordeal in which the Elangomat is performing.
2. Satisfactorily fulfill the duties and responsibilities of the

Lodge Advisor Corner...

I would like to extend an Arrowman's welcome to all the new members who will pass through their ordeal in the next three months. The personal achievement and experience is something you will carry with you the rest of your life. But, always remember the journey of Cheerful Service has just begun and never ends. I cannot encourage each of you enough to always step forward to serve in you troop, family, religious community, lodge and chapter. Service is not limited to just Scouting but rather is connected to everything we do and the people we meet every day. Service is putting into action the Scout Oath, Law and Admonition. Members of our units, who saw in us something special, chose us as worthy to lead and act by example and make everything we touch a little better. Now is the time to set goals for yourself, become active in your chapter, find something you like to do, and get on that committee. Never wait to be asked for you may never be asked. It is expected that an Arrowman steps forward and becomes involved without being asked. You could plan to earn your Brotherhood honor within the next year, be an Elangomat and help a candidate pass their ordeal, work on your chapters Camporee staff, and start an arrow of light or ceremony team. You are only limited by your own imagination and effort so start today.

The Lodge and our section have GREAT activities planned for YOU! In August we have our Lodge Fall fellowship. This year Fellowship will be held at Camp Pollock. The Date for this SUPER event is Aug 22nd – 24th. Events at the fellowship are made just for the youth; Movies, crafts, Indian dancing, ceremony classes and competitions. The Fellowship is also where, YOU the YOUTH, Arrowmen elect your New Chief and Vice Chiefs for next year. Next is the Section Conclave in September. Six lodges will come together to PARTY and enjoy friendly competition. It will be held at Calaveras County Fairgrounds in Angels Camp, CA, otherwise known as the home of the International Frog Jumping Jubilee., September 12th through 14th. Sign up NOW to receive the discount rate. Conclaves have Games, Indian Dancing, FROG JUMPING, ceremony competitions, training classes, sporting events, swimming and the election of next years Section Chief and officers and a lot more cool stuff ran by the section officers. To end the year, the lodge holds a training day open to ALL members. We call training Takachsin. Here you can learn all about the Order of the Arrow and how to be a leader. Learn how to run meetings with style and confidence. Understand how our Lodge and council operate our camps and properties. At the end of the day, we have our Lodge dinner.

Elangomat, Lead by example, ie. attend pre-ordeal and ordeal ceremonies with candidates, sleep outside, work and eat scant food with candidates. Talking, only as necessary.

3. Accomplish successful membership retention by achieving 50% Brotherhood Conversion within your clan. If the clan consists of less than 5 members than the standard will be 75% conversion. This requirement must be completed with 18 months of the clan members completing their ordeal.

This is a four star affair with our Supreme Chief of the Fire: (Doug McDonald) YOUR Lodge officers and all our members. I WISH YOU: Great FOOD! GOOD FRIENDS! I will leave you with this thought. "Never wait to lend a hand or hesitate to help someone. You my never have a second chance" Have a great summer.

Yours in Brotherhood;

Mike Gaffney
Lodge Advisor

OA Team Representative Job Description:

An Order of the Arrow Team Representative is a youth liaison serving between the local OA lodge or chapter and his Varsity Team. In his team, he serves as a communication and programmatic link to the Arrowmen and adult leaders and Varsity Scouts who are not presently members of the Order. He does this in a fashion that strengthens the mission of the lodge and purpose of the Order. By setting a good example, he enhances the image of the Order as a service arm to his team.

Definitions of Lodge Events

Ordeals

The Lodge holds five ordeals a year. The first is in May at Camp Lassen. The next three ordeals are held in June/July at Camp Winton, Camp Pahatsi, and Glacial Trails Scout Camp. These events help prepare these camps to open on time for the council's summer events. The fifth ordeal is held in the fall at Camp Pollock in Sacramento. All OA members are strongly encouraged to attend.

Lodge Annual Dinner

Each year the Lodge holds its annual Dinner. It is a time to review the past year, promote the upcoming events. It is a time to renew old friendships. All Arrowmen and their family and friends are welcome to attend.

Lodge Fall Fellowship

Each year the Lodge holds a Fellowship. This is a time where we can all get together and enjoy the fellowship of our brothers. The fellowship is usually held each October. At this event, we elect our Lodge officers for the next year. The activities usually include training, Chapter competitions in dancing, ceremonies, and sports. All Arrowmen are strongly encouraged to attend. This is a fun filled weekend.

Takachsin

Each year the Lodge holds a training weekend that is modeled after the National Leadership Seminar outline. This event trains the new Lodge and Chapter officers and advisors. All Lodge and Chapters officers are expected to attend.

Lodge Council of Chiefs

The Council of Chiefs is made up of all Lodge officers and Chapter Chiefs with their advisers. At these meetings the youth members create lodge policy, plan lodge events, and control financing. All Arrowmen are welcome at the Council of Chiefs meeting. The Lodge Chief is responsible for this meeting.

Chapter Meeting/Events

Each Chapter has meetings and other events through out the year. These events include crafts, Indian activities, preparation for upcoming lodge events, also preparation for District events (i.e. Elections, Call-out, and Ceremonies). Contact your Chapter Chief or advisor for more information.
