## Fire Destroys Camp Pahatsi Lodge

P. Haley July 4, 2003

### Ricksecker Lodge on Lake Kilborn

Photo by Phil Haley, Tito Wa Chapter Adviser

Ricksecker Lodge at Camp Pahatsi burned down during the early morning hours of October 30<sup>th</sup>. The fire was reported at 5:25 AM by a driver on I-80, after seeing an orange glow among the trees. Fire crews responded with four fire engines and water tender. The lost structures included the lodge and nearby boathouse. All that remains

of the lodge is the foundation and two chimneys. No one was in the lodge when the fire started.

The original Ricksecker Lodge was completed in 1933 by the Tahoe Area Council. In 1987 the lodge was remodeled and enlarged. Currently some 1,500 scouts come to camp every summer.

## Lodge Advisers Request

The Amangi Nacha has again proven that it is the best Lodge in this Section by continuing our service to the units and the council. I would like to recommend many of our arrowmen for the Arrowmen Service award that many of you have earned. I can make recommendations for this award for a few more months. This award has been available for the last three years and this is the last year that you can apply to receive it.

If you have earned it in the past three years you can still apply for it, up to three times, by submitting the form to your chapter adviser or sending it to my attention to the address on the back of this newsletter.

All first time recipients may purchase the original award (the white ribbon with the gold compass). Arrowmen who earn the award more than once during the outlined three year period (2001-2003) may purchase the silver attachment for having completed this award a second time (2002 or 2003 only) and the bronze attachment for having completed this award a third time (2003 only). The attachment will be worn on the award's white ribbon.

Yours in Brotherhood

## Lodge Dinner and Training

The Lodge Dinner and Training this year was held on November 8th in Yuba City.

The day began with the Council of Chiefs (COC) meeting where the new lodge officers that were elected at the Fall Fellowship ran the meeting. Shortly after the conclusion of the COC the training began.

The training was held to help the new lodge and chapter officers understand their new jobs, know where resources could be found and who the other officers in the lodge and chapters were.

With the training complete, the dinner began. After JP Jones introduced the new 2004 Lodge Officers, Danny Tucker, the Lodge Staff Adviser got up and spoke. He emphasized the need for the Order's help in opening Camp Pahatsi after the lodges destruction. Camp Pahatsi would go on.

The Key Note Speaker, CAPT Don Jackson USN (Ret) talked about "The Reach of an Eagle". After which, the Chief's Awards and the new Silver Feather Awards were awarded by JP Jones to those in at-

tendance. The Golden Arrow Award was awarded to **Kowaunk-amish** Chapter.

The 2003 Vigil Honor recipients were then presented with their card and certificate. Those receiving Vigil Honor in 2003 were: **Peter Aldous, Joseph Alexandrou, Jeff Barns-Allan, Tyler Bumpus, Andrew Cater, Joshua Green, Brad Hays, Lawrence Imamura, JP Jones, Michael Randall, Don Bright, Carl Braze, Dave Denton, Fred Orsborn, Royce Price and Glen Whitcomb**

The Founders Award given out as the highest award in the OA for service to a lodge was awarded to **Joshua Whitcomb** and **Bob Monemaker**. Thanks for your outstanding service to the lodge.

The last recognition of the evening was given to **JP Jones** as he was named a "James E. West Fellow" when a donation was made in his name for his outstanding service to the Lodge.

## Ames Iowa or Bust!!!!

### Kayak Training at 2002 NOAC

NOAC, where to start? There was just so much to do at the National Order of the Arrow Conference (NOAC) to tell you about, that it would be impossible to tell you all about the activities in just one article.

There were training classes in Indian Lore, leadership development, and many other subjects. At the last NOAC, some of the unusual training subjects included SCUBA diving and kayak training. If the great training was not enough, then there were the competitions in soccer, basketball, volleyball, dancing, and ceremony teams along with many others. Of course in all competitions, the Amangi Nacha Lodge was a lodge to be reckoned with.

Each day would end with a show. Some of which would be focused on recognition, others had a message to the audience, and the rest, were for your pure enjoyment. Finally, on the last day there was the Founder's Day Fair.

The fair was a day when all lodges would set up a booth and have

displays showing off their lodge.

Some lodges had giveaways such as small souvenirs, food and/or prizes. However, all the lodges gave out knowledge about their lodge and it was a great time to be had.

The NOAC Staff planned tons of activities for lodges to take part in, but Amangi Nacha wanted more. At the 2002 NOAC, we also visited the Indianapolis Speedway, Indiana State Museum, and an IMAX 3-D movie outside of the regular activities.

At the 2004 NOAC, similar additional activities are being planned. We tentatively plan on going to the Negro Hall of Fame, Ocean of Fun (a water park), and a Kansas City Royals MLB game.

I have fond memories from the 2002 NOAC that I will have for the rest of my life, and I hope to see you in the ones from the 2004 NOAC at Iowa State University in Ames, Iowa.

## NOAC Survey

by Mike Randall, Wintun Chapter

Question: What was your favorite part of the 2002 NOAC?

I liked the fact that we had the freedom to do the activities that interested me. I liked the dance competitions and Hooters.

- Donald McCausland  
Kowaunkamish Chapter

The best thing about NOAC, besides the lunch on the last day was the pizza. You had pizza almost every night. The events that they had were a blast, especially the athletic events.

- Joshua Harrison  
Eluwak Chapter

NOAC to me was one experience which will undoubtedly live in my memory. Between the limo ride, lack of air conditioning and Hooters. I came to the realization that I was having the time of my life. The two events which I enjoyed the most were our awesome soccer team and the Arrowmen Band. The ability of Arrowmen to be able to combine their talents and help those around them on so short notice is astounding.

- Kurt Randall  
Wintun Chapter

NOAC was fun because you have a lot of freedom to do whatever you want. My favorite event was hard to choose, since everything was so much fun. National Training however stood above the rest due to the facilities and quality instructors NOAC was able to provide.

- Joshua Whitcomb  
Kendwit Ihum Chapter

I liked NOAC because it was really, really fun. The soccer games and patches were cool.

# National Quality Lodge

Each year Amangi Nacha strives to qualify to become a National Quality Lodge Recipient. Becoming a Quality Lodge takes a lot of effort from a lot members in a wide range of positions including members at large, event staff, publications staff to chapter and lodge officers and advisers.

Becoming a Quality Lodge is more than just getting recognition though, by meeting the requirements, the lodge serves their members and the community. Several of the requirements of Quality Lodge focus on member retention and service to scouting and the community.

After becoming Quality Lodge

for service performed in 2002, the lodge Council of Chiefs (COC) decided to try to make it two years in a row. With very few lodges in the nation qualifying for this award, this goal would be difficult.

The COC realized that the two most difficult and time consuming requirements would be the positive growth and brotherhood conversion. With this in mind, early in 2003 the COC included these two requirements in the requirements for Honor Chapter .

As of the writing of this article, it appears that the lodge is once again a Quality lodge. Wow, two years in a row!!! Congratulations to all!!!!

## Positive Growth

“Positive Growth” is easy enough to say and understand, but is not an easy thing to accomplish.

The lodge has a constant turnover of its membership. Youth members go off to college and are no longer in the area. Adult members who no longer have children in the lodge may devote their time elsewhere. Then there is Ordeal Candidate that became a member and has not been seen since.

This last group are the members that need our help. Members who do not know anything about chapter

activities, Fall Fellowships, Lodge Dinners, Section Conclaves or NOACs and other events. All they remember is their ORDEAL.

The OA may not be for everyone, but one way to reach the goal of positive growth is to make sure every new member knows what the lodge has to offer before they decide not to participate.

Congratulations to the chapters shown on the right that have achieved “Positive Growth” this year and hope the list is even longer by the end of the year.

## Conversion to Brotherhood Update

One of the requirements for Quality Lodge is for at least 30 % of the eligible ordeal members to become brotherhood. In early in 2003, with this requirement in mind, the Council of Chiefs (COC) set the requirement for chapters to have a brotherhood conversion rate of 35 % in order to be eligible for Honor Chapter.

With all the 2003 Ordeals and the Fall Fellowship behind us, we are close to the finish line with very

little time left in the year. A few chapters have already met this requirement with a month still to.

Congratulations to the chapters shown on the side that, as of October 23, have achieved 35 % brotherhood conversion. For the rest of the chapters that have not yet reached their goal, there is still time. As of the writing of this article, the lodge, has a 37% conversion rate and has completed this requirement for Quality Lodge.

# Honor Chapter Update

Shown below is the current status of several of the specific requirements for Honor Chapter. Only those chapters that currently meet the specific requirement are listed. If a chapter is not listed for a particular requirement, then that chapter has not reached their goal.

## Positive Growth

Each chapter must have positive growth. In other words, a chapter must at a minimum have one more member at the end of this year than they had at the end of last year. The following chapters have positive growth (The percentage given is based on last years membership)

Wintun	102 %
Ta Tanka Ska	107 %
Maidu	115 %
Irekwan	141 %
Miwok	164 %

## Brotherhood Conversion

Each chapter must have a minimum Brotherhood conversion rate of 35 %. The following chapters currently meet this goal, however these percentages can go up or down. If the number of eligible Brotherhood Candidates increase, then these percentages will decrease.

Kowaunkamish	44 %
Peen Sew	50 %
Patwin	50 %
Wintun	53 %
Tito Wa	67 %
Kendwit Ihum	67 %
Maidu	73 %

## A day of toil and tribulation proved good for Camp Pollock!

To my surprise on Friday night there were more than enough Elan-gomats to help with the clans which added a lot of help for the weekend.

When the time came around for the Pre-Ordeal Ceremony, half of the team had not shown up, but luckily two members of the brotherhood team were there and volunteered to fill in.

Saturday began with several work projects that included sorting cinder blocks for a wall that we would be started later in the day, the arduous task of clearing debris under and around the lodge, digging a drainage ditch around the lodge and attending the burn pile that was alive and well all day.

The drainage ditch turned into a toil in itself, when a tree stump was in its path. After a couple hours of chopping and digging, and with a pickup tugging, the stump was not moving. After speaking with the ranger we decided that it was not worth the effort and that he would get it removed later.

There were several old cabinets that needed to be drug out from under the lodge. The two clans that helped were "rewarded" latter by being able to destroy the cabinets (at the ranger's request) with sledge hammers and axes.

After Lunch, several clans began to rake leaves, clean the bathrooms, sweep the porch and walk way, etc, while another began to sweep and mop the lodge. The clan that was attending the fire was switched out and began digging a drainage ditch from the ditch that was dug previously toward the river, where a pipe would later be placed. This pipe and ditch would allow for drainage to a more convenient place.

One of the clans began to clean shrubbery along the river side, cutting with the assistance of a chain-saw, they cleaned a large pad of area for a campsite that the ranger had plans to build later.

After the work projects were completed the candidates had about an hour to get cleaned up before the

evening activities. The day concluded with all the candidates completing the Ordeal and Eating Good.

I would like to thank the lodge for their support, because without their help this weekend would not have gone as good as it did.

## Camp Pahatsi Lodge Continued

*(Continued from page 1)*

With about 14,000 sq. feet of floor space, the lodge housed the camp's office, indoor dining area, kitchen, and staff quarters. Scouts and staff will miss the lodge.

During the winter months, the lodge was used by Royal Gorge Nordic Ski Resort. Royal Gorge used the lodge as an attractive cross-country ski destination for its customers. Preparing for the 2004 winter season, Royal Gorge had just moved their equipment and furniture into the lodge the day before the fire started.

Although the lodge and boat-house are lost, Camp Pahatsi is still scheduled to open next summer. How the camp will be operated depends on the condition of the camp's

infrastructure like electricity and water. The shower building, trading post, and water tank building were not harmed. And all scout memorabilia and equipment, normally in the lodge during the summer, was safely stored in cargo containers away from the fire. But, the rowboats, kayaks, paddles, and PFDs stored in the boathouse were a total loss and must be replaced.

After the snow melts rebuilding will begin. No doubt OA will be there helping to open the camp. As stated by Darrell Winn, Camp Director, "Needless to say, the OA will play a big part in all this and we can never thank them enough."

## Ordeal Weekends

The lodge ended the 2003 Ordeal Season with the conclusion of the Pollock Ordeal. The season started with the Lassen Ordeal but when it came to the Winton, Pahatsi and GTSR Ordeals, the Lodge was unsure if the camps would be accessible with all the snow.

The snow melted just in time for the Winton and Pahatsi Ordeals, but GTSR had to be relocated to Pahatsi. From all Ordeals we thank the 252 new members for their service and welcome them to the Order.

### Help!!!!

The newsletter staff needs your help. We need members to give us feedback on what they would like in their newsletter. Also, we are in need of members to write articles to keep the rest of the lodge informed on what is going on and what is coming up in the near future.

If you think you are not qualified to write for the newsletter, then you are mistaken. No experience is needed, just a desire to share your thoughts and experiences.

Just think, the next time you read the Squawks Newsletter, your name and chapter might have a by-line.

For more information on how to contribute to the newsletter, see the back page under the "United We Stand" ribbon.

For all of the members that did submit articles, the newsletter staff gives great thanks. Without your help this newsletter would be just blank paper.
