The 2000 NOAC is now history. This was a challenging event for our Lodge in Knoxville, Tennessee. United Airlines was in the midst of a labor dispute with the pilots and the result was numerous delays and flight cancellations. The good news is that we overcame this adversity and represented our Lodge well at NOAC.

Special congratulations to the members who attended and to the youth who participated in the Brotherhood Ceremony competition and the dance competition. Several members of our Lodge contingent were even on the Arrowman Chorus. Every Contingent member, youth and adults alike, participated in the valuable training workshops that will help our Lodge grow and develop for future years. Some of the areas of training included Lodge and Chapter Administration, Developing Ceremony Teams, Camp Promotion, Mega Lodge (yes, we are one), Lodge Finances, and Communications just to name a few.

The evening shows were first rate starting with our Lodge's large display flap on stage paraded by Lodge Chief Lewis McCrary for the opening show. They had something for everyone from speeches by the Chief Scout Executive and the National and Regional Chiefs to pyrotechnics and Indian dancing. It was quite moving to see over 6,000 Arrowmen sing the Order of The Arrow song.

There was a Living History Museum where one could learn about Lodges from all over the nation including an exhibits section of old Scouting badges, OA flaps, sashes, and even a Dr. E. Urner Goodman display.

OA Patch trading was at its best. We were trading on the streets, in the dining hall, dorms and probably even in the rest rooms; you name the place and patch trading was going on. And, speaking of traders, look out for Joey Jochim. From all accounts, this years Founders Day was one of the best ever. We manned a booth and dispersed camping and Lodge information along with NACHOS and Jelly Bellys donated by Herman Goelitz Candy Co. manufacture of Jelly Bellys. A thanks to Gregg Frith, a past Amangi Nacha Lodge Chief, he was in charge of the Founders standing job. The at the University of interested in at-saving now for that event.

**Newsletter Editor**

Well, this can be good news or bad news, but I have decided that I will no longer be able to be the Editor for Newsletter. It had its rewards and it had its headaches. Nevertheless, I enjoyed doing it and I will be more than happy to help in a less active way next year. Please give your support and help out the next Newsletter Editor, by getting your Articles in on time and just getting them in. If you would like to be on the Newsletter staff or even the Editor please contact one of the Lodge officers listed on page 5 of this Newsletter.

Yours in Brotherhood,  
Jonathan Trachy  
Newsletter Editor-in-Chief

**Communications**

I can't believe that it has been a year but it has. I have enjoyed working with Chief Lewis and all of the other Vice Chiefs and the Chapter Chiefs. I have enjoyed this position so much that I think I will again run for a Lodge position. I've seen what good has been done this year and can see what needs to be worked on in the future. I would also encourage all of you go to Fallen and have fun with the Navy. Over the hills and through the gutters I have had a lot of fun this year and I will hope to have the same amount of fun in the future.

Yours in Brotherhood,  
Jonathan Trachy  
Lodge Vice Chief of Communications

**Inductions**

Brothers,  
I'm happy to report that ordeals went very well. May I give my congrats to all new members and welcome to the lodge. Now you must begin the 10 month journey on to Brotherhood. And since you are now members, you have all rights and privileges to come to all lodge functions. These functions include the upcoming Fall Ordeal at camp Pollock and Fall Fellowship. Your attendance is greatly anticipated for both events and we promise to make you welcome. It would be great if we can get as many members to the Fall Ordeal!!! The cost is \$15.00. I know its a whole \$15.00, but we need the man power and its a great way to get a good look at ceremonies and possibly even dancing. I hope to see you all there.

Yours in Brotherhood,  
Ryan Starr  
Vice Chief of Inductions

**Fall Fellowship****Event Information****1. Air Strike Mission Planning Exercise**

You are a pilot of the NAS Fallon Carrier Air Group. Your mission is to infiltrate the defenses of a hostile country and complete an air strike mission. To accomplish this important task, you will use the actual mission planning tools used by the Naval Strike Air Warfare Center. You will receive a mission warning order and an intelligence briefing, weaponize the aircraft, select the ingress and egress routes, execute the mission, and participate in a mission debrief. Can you plan it, fly it and not get shot down?

**2. Search and Rescue (SAR) Exercise**

On your next campout, your troop discovers a seriously injured hiker in need of immediate medical attention and emergency evacuation. What do you do? At the SAR Exercise program, you will learn how to prepare a victim for immediate extraction and air transport. You will learn firsthand the details of aircrew communication from initial report to touchdown at the landing zone. Air evacuation procedures and equipment used to extract a victim will be reviewed. A live simulated emergency extraction demonstration is planned. An aircraft and crew will remove a victim by basket litter after repelling to him.

**3. Static Aircraft Display and Airfield Operations Orientation**

team the basics of aircraft recognition through an up-close and personal introduction. Flight line crewmembers will give guided tours of static aircraft, ranging from the F/A-18 to the F-14. Participants will enter the control tower and observe tower and airfield operations. Radar operation and aircraft communication will be among the tower operations.

**3. SEAL & EOD Team Orientation**

For those who desire to take part in an activity that will be both physically and mentally challenging, consider taking part in the SEAL and BOD team orientations. During your three hours, 5 to 6-man teams will participate in a Physical Fitness Test (PET) consisting of sit-ups, pushups, swimming and a run, which will be followed by team building physical challenges. Upon completion of the physical and team building activities, participants receive an orientation to SEAL team operations and take part in a weapons capability and ammo briefing. To participate in this program, you must present a valid class three physical, and a liability release waiver signed by your parents. •Show up for this activity in physical fitness clothes with swim trunks in order to participate. This activity will be three hours in length and physically demanding - it is for the hardest of Arrowmen only. Can you meet the challenge?

Maidu

Fellow Brothers,  
Greetings from the Maidu chapter.  
This summer our chapter assisted in a  
Brotherhood ceremony at Camp Las-  
sen in which six people obtained the  
honor of Brotherhood. We also partici-  
pated in a very meaningful rededica-  
tion ceremony during each Boy Scout  
session at Camp Lassen. Special  
thanks to Scot Wren and Justin Voden  
for making this event happen.  
We are all very excited about both the  
upcoming Conclave and Fellowship.  
We are encouraging all of our chapter  
members to attend both of these great  
events.

In October the Maidu chapter is spon-  
soring an overnight campout at Lake  
DeSabra for "Jamboree on the Air."  
We'll also be practicing ceremonies  
and having fun. The date: Oct 21 & 22.  
For more information contact Tim  
Wells @ 877-7427.

Yours in Brotherhood,  
Tim Wells

## Lodge Adviser

Welcome back all summer travelers.

It's time to make things happen! While many of us were on vacations and attending summer camps, a great deal of planning and effort have gone into this falls activities and next year's program. Over the summer N.O. A.C. was a fun and energizing event, attended by eighteen lodge members even though more than thirty wished to attend due to national cutting our contingent number. Chief Lewis and Bob "fuzzy", Nelson did a super job. It will be our lodges effort to see Lodge wide ceremony teams compete at all levels and even more dancers compete for our lodge in the Indian events in Indiana in 2002. NOW is the time to start work on these events in order to compete at the National level. My hat goes off to Don Bright and John Gregory for attending National Lodge Adviser's training with my wife and I at Philmont this Summer. This is a course that is very much worth any advisers time. The course is taught by the National training team along with National Officers and Directors from the Order of the Arrow.

An upcoming event that promises to be the MOST AWESOME Fellowship in years!!! It will be held at Fallon Navel Air station in Nevada October 13-15. Think lots of TOP GUN Pilots (YES Dudes), you and your team doing night missions,( cool goggles), be a member of a Navy STRIKE team and play with real big boy toys (WHOA). Join the Navy SEAL team for the obstacle course of a life time (this is NO drill), this requires a special permission form and is operated by Real Navy SEALS. Now add Indian dancing, ceremony teams, fun games, great classes, the Gregg Frith 5k run (joke), as well as dining in the NAVY chow hall, you can't help to have a FAB time. But there's one catch! You have to be one of

the first 200 Armenia signed up. That's right we can only have 200 Arrowmen attend due to space limitations from the Air station. We need to give SPECIAL THANKS to, Chief David Butler, Lodge Vice Chief Morgan Maier, Brandon Fall, Lodge Chief Lewis Mc Crary, Gilbert Canady and especially Mark Spitler for all the efforts, special trips out to the fellowship site, program development and great relationships built with F.N.A.S.

Training also known as "Takaschin" along with the Lodge dinner will be on Saturday November 4th at Beale A.F.B. The training session is required by all Chapter Chiefs, Advisers, as well as Lodge Officers and Advisers. The training this year is being reworked with many new materials and information from the Philmont training course this summer. Dinner is planned to be at the Officers club with a special surprise speaker. Watch for information on the web site and check for flyers.

The October ordeal at Camp Pollock is fast approaching. Be sure all your chapter's remaining candidates make this one; their eligibility ends with new elections in January. Remember we need members from all chapters to guide your candidates as well as operate the ordeal. This is also a perfect time and place to earn your Brotherhood Honor. See the web site new member section puzzle to learn everything you need to know. This is a Lodge wide event so sign up and join in the fun and fellowship with members from all over the council.

I hope to see everyone finding something of interest and service to our Order and Council to be involved in. Remember the Arrowmen takes the first step.

Thank you to all who serve in the spirit,  
Larry Frith  
Lodge Adviser

## Deputy Lodge Adviser

The Order of the Arrow is looking for youth to serve on staff at the 2001 National Scout Jamboree to be held at Fort A.P. Hill, Virginia. Contact any of the advisory staff for additional information. The OA performs many service functions at the Jamboree as well as hosting an OA Trading Post, dancing, TOAP, and Scoutopia (the OA production number. It will be a memorable experience for Arrowmen who participate.

The end of the Lodge year is rapidly approaching with elections scheduled for the Fall Fellowship. If you are interested in running for Lodge office be sure to get your letter of interest in to Larry Frith prior to the Fellowship. Speaking about the Fellowship, we have a super event planned at Fallon Naval Air Station in Nevada. You don't want to miss this year's Fellowship. Get your reservation in now! Look for information on Lodge Training and the Dinner also and make plans to attend. Training is essential for everyone to know how to do their job, from the Chief of the Lodge to committee members at the Chapter level. Our success as a Lodge is measured by how well everyone does their job, and we want to be successful as a Lodge.

Finally, in 2001, the Amangi Nacha Lodge will be the host Lodge for the W3B Conclave. This will take cooperation and participation by everyone in the Lodge, youth and adult. We will be in planning for this event throughout the next twelve months. Numerous committees will be formed. If asked to serve I hope you will agree cheerfully. More information will be forthcoming on this event.

Yours in Brotherhood  
Bob Nelson  
Deputy Lodge Adviser
