# AIA Ceremony Report

Thank you to everyone that helped out at the ordeals. They both went amazingly well. The one main issue is starting on time. At Lassen, we started late and since the brotherhood ceremony was on Friday, that went on till 2:30 am.

There is always room for more people to join ceremonies. If you are interested, come talk to me and after the meeting

There is also another ordeal for the people who didn't make it to either of the other ones. If you know anybody who misses both, let them know that there is another one on August 26

One of our fellow lodges needs our help August 10. They need us to do some ceremonies for their ordeal. If anyone is interested, please talk to me.
