- We are currently sitting at 278 registered members (our goal is 520)
- We were at 245 last month so this shows that some people pay their dues later in the year (also meaning that there are still more people out there that can pay their dues and haven't already)
- Chapter Chiefs, please spread the message to get dues paid to your chapters as it helps us get to that goal
- An email will be sent out tonight with a dues reminder!
