A Message From Our Lodge Chief

Hello Nachos!

I want to start off by saying that it has been an honor serving as your 2025 Amangi Nacha Lodge Chief. This year has been a highlight in my scouting career and as I look back on this year, I am so proud of everything that we have accomplished. It is truly hard to put into words the passion and love that I have for this lodge and every one in it and I hope that throughout this year you have been able to feel that.

I want to thank all of my vice chiefs and chapter chiefs for all the hard work, dedication, and energy that they have put into making this year the best that it could be! I also want to thank the advisors for helping guide not only the youth in positions but all the youth in this lodge. As we transition into this next year, I urge all of you to remember our admonition, for it is this that keeps us together. Remember to lean on one another, collaborate, and most importantly have fun!

To our new members, I am excited to see the role you all take on in continuing to shape our lodge. Know that you all have a place here and as you continue to get to know the order and our lodge I hope you find an area that you are passionate about! There are so many great things our lodge has to offer and I implore you all to explore all aspects of the order of the arrow.

Finally, I urge you all to stay true to yourself and your values. You don't have to change yourself to fit into a specific mold, in and out of scouting. Keeping true to your values will be your greatest strength as you continue in scouting and in life, and I can not wait to see what you all go on to do!
