2022 Dues

Our section Conclave is right around the corner now on September 9-11 at Camp Lassen! You might be wondering, what is Conclave? A Conclave is a section-wide event that gets Arrowmen from all over the section into one place to meet for ceremonies, games, fellowships, etc. It is very similar to our Fall and Winter Fellowships because it's mainly to meet fellow OA members outside your chapter/lodge. At Conclave, there is always something for everyone. We have many large activities that you can choose to do. From video games, to sports, all the way to dance and drums. Food and meals will be provided also by the section, so you don't have to do any cooking! Lastly, there is going to be an awesome patch that will go to everyone who goes to Conclave. The picture is right below! Trust us when we say this, it is going to be a lot of fun. Registration is out now so sign up soon!

To Register, go to <https://registration.oa-bsa.org/Event/1160> or scan the QR code below.

If you have any questions, email conclave@amanginacha.org and we can help you get that sorted.

Thank you so much and we'll see you there Arrowmen.

Chief's Message

Hey Nachos!

It is great to write to you again! Can you believe it we are over half way through the term for the 2022 year? As we are 9 months into the term, it is time to start thinking about the end of term and what our plans are for the next year. Some of you may run for a unit position, some a chapter position, and others a position on the lodge level. Each level of service is equally important, but we as a lodge would love to see more of you serving in the higher levels in addition to serving your unit. For those of you who plan to run for an elected lodge position, this is your reminder that you need to submit written communication to the lodge adviser of your plans to run for a specific position.

On other news, as many of us are youth, we are enjoying summer break. I hope many of you are taking advantage of relaxing and recharging, scout camp, OA High Adventure, or any other scouting program offered during the summer. I know I am taking advantage of scouting programs and I am most excited for the National Order of the Arrow Conference (NOAC) and the contingent that we have going. It is going to be an exciting event with many memories made. There are many opportunities out there and I encourage everyone to take advantage of them, if not this year, then next year.

There are many things out there, and we should try things at least once. I prefer experiences over materialistic things, which makes scouts a wonderful environment as we learn so many things and experience just as much, whether it is in or out of our comfort zone. I challenge you all to try something new, get out of your comfort zone, and take that leap, because if not now...when?

Yours in Brotherhood,

Evan Schilling
