Lodge Inductions Are Upon Us

Candidates Perform Valuable Service at
2004 Lassen Ordeal

The lodge inductions process is upon us. This process helps revitalize the chapters and the lodge membership.

The Order of the Arrow is a unique organization that is run by the youth members. The Order not only loses members to relocation and other activities, but to age limits. Members 21 years old and over may not hold leadership positions and cross-over into adviser roles. This means that without new members each year, the lodge and OA would quickly have no one to lead it. The inductions process is extremely vital to the health of the Amangi Nacha

Lodge.

The process starts with the Unit Elections, then through Callouts and then on to the Ordeals. The process is complete when members go through a Brotherhood Ceremony.

If you have the opportunity this year to help with any part of the process, please do. From helping perform Elections, working with the Callouts, attending an Ordeal or sealing your membership in the Order by attaining Brotherhood, your help would be appreciated and you just might find your experience in the Order more fun and rewarding.

Chief

Fellow Arrowmen

A lot has been going on with the Lodge since I last talked to you. We have now had two Council of Chiefs meetings that were very productive and that went very well. After the COC in January we had our Indian Ceremonies Team perform a callout ceremony for people to see and our Inductions VC held a mock election. Both went very well and hopefully it got members inspired to participate in a ceremony like it. We handed out election forms and elections as of now are doing well. Just recently we had our council dinner, which went very well and thanks goes to those who participated in cleanup and setup. As of now everything has been going great and we look forward to the next couple months to be going the same.

YIB,

VC Indian Lore

Hello Fellow Arrowmen,

Last month's meeting went very well. I would like to Thank Kendwit Ihum for putting on a call out ceremony, they did a very good job. After the March COC there will be training for any one who would like to attend. The training will include a Brotherhood Ceremony and Ordeal Ceremony training, being held by Max Barnes-Allan; Ben Whitely; of the Kowaunkamish chapter and Kim Wilkerson of the Tito Wa Chapter. I would also like to strongly ask all Chapter V.C. of Indian lore to attend all COC to help make our Chief's vision of our ceremonies become a reality.

YIB,
Donald McCausland

VC Camping

Camping is one of Boy Scouting's key fundamental activities. In the current day and age, camping has been boiled down to a science. The most current of which is Leave no Trace. In the past few years Leave no Trace has grown into much more than picking up your garbage. Information can be found on the web on different ways one can hike and how one should properly pitch a tent to leave the smallest of indentations. One joy of camping is experiencing Nature as it should be seen and without the contaminating hand of man. So please do the right thing and leave no trace.

New Mailing List

In the interest of keeping the members of the COC (Lodge and Chapter Officers and Advisers) up to date on upcoming events and deadlines, a new lodge e-mail list has been created. Information can be sent to all members on the list by sending e-mails to "oainfo@gec-bsa.org." Members wishing to subscribe to the list need to send a letter to "majordomo@gec-bsa.org" with the word "subscribe" in the body of the e-mail.

Please use this list only to send information valuable to the entire COC. Information valuable to only specific members or chapters should be sent directly to them and not to the entire list.

Chapters may request to create e-mail lists of their own by the Chapter Chief or Adviser making a request to the Lodge Webmaster.

Lodge Adviser's Corner

I would like to extend a very warm welcome to all those who will pass through their Ordeals in the following months as well as those who have already passed that way. For our new Arrowmen they will join a dedicated group of scouts and scouters that have chosen to be of service to the Order of the Arrow as well as the Boy Scouts of America. I cannot stress enough the importance of always serving your home troop, team, crew, or post first and foremost as we are a service organization. But do not limit your service to scouting, remember your communities and always try and be a positive force in within your communities.

The Amangi Nacha Lodge and our Section W3B, have a great year of activities planned especially for YOU! Along with our five ordeals, Fall Fellowship, Lodge training, and Lodge dinner, there is the Section Conclave in September that is going to be simply GREAT! The conclave will be held September 16-18, at the Sonoma County Day School in Santa Rosa, CA.

At this years Conclave we will have an ongoing party that will include

The Trading Post Wants You!

Any youth that would like to work in the trading post during COCs, Fellowships and/or Ordeals should contact Nancy Holzhey at snowflower@pacbell.net.

It is great fun!

GREAT FOOD, games, Indian dancing, ceremony competitions, training classes, sporting events, and elections for next years Section Chief. Another aspect of the Conclave will be the recapturing of the "Bald Eagle" award that escaped our grasp at last year's conclave. The "Bald Eagle" award is awarded to the top Lodge using a scoring that includes attendance at the conclave.

At our Fellowship August 26-28, we will have a weekend of scouting spirit and fun. We will have GREAT FOOD, games, Indian dancing, ceremony competitions, training classes, sporting events, and elections for next years Lodge Chief and the other vice-chiefs. Now is

the time to decide if you will be a candidate for the 2006 Lodge Chief or one of the other vice-chiefs. The 2006 Chief and his staff will lead us to the 2006 National Order of the Arrow Conference (NOAC) in a week filled with fun and adventure at Michigan State University.

. Ordeal to ...

Have you thought of becoming a Brotherhood Member?

The Ordeal was just the start of a journey that can be as exciting, rewarding and enjoyable as you decide to make it. Below are the things that you need to do to become a Brotherhood member. The list is short and fairly easy, but the items are very important in sealing your membership in the Order of the Arrow.

After at least 10 months of active service to your unit Ordeal members can decide to affirm their membership in the Order of the Arrow by going through the Brotherhood Ceremony. The Ordeal has introduced you to the mysteries and proud traditions of the Order and now you have the opportunity to learn even more about our great organization. You have more resources to help you along your journey to knowledge than you probably know. A great source of information is the Order of the Arrow Handbook, which in of itself has nearly all the information that you will need to meet the Brotherhood Requirements below. Online is another great resource. The lodge has a website that has a lot of great information to help you as well as keeping you informed on upcoming events. The National OA website has great information and a program specifically designed for new members called “Jumpstart”. The lodge newsletter lets you know what is going on and how you can get involved. Most importantly, you also have your fellow members that can answer your questions, point you in the right direction and encourage you along the way. The journey that you will take will be well worth the effort you put into it.

Brotherhood Requirements:

1. Memorize the signs of the Ordeal membership: Memorize the Obligation of the Order, the official Order of the Arrow Song, the Admonition, the sign of Ordeal Membership and the Arrow hand-clasp. *The national “Jumpstart” website (www.jumpstart.oa-bsa.org/) is a great source of information on several of these hard to find items.*
2. Advance in your understanding of the Ordeal: Gain a thorough understanding of the Ordeal through which you have passed.
3. Serve your unit: Maintain your registration in the scouting. During the 10 months since your Ordeal, strive to fulfill your obligation by continuing and expanding your service to your troop or team.
4. Plan for service in the Lodge: Retain your registration in the Lodge and keep your dues paid. Be aware that acceptance of the Brotherhood membership involves a pledge of service to the Lodge. Develop a concrete idea of how you plan to fulfill the pledge.
5. Review your progress: When you feel that you have met the four challenges above, write a letter to your Lodge Vice Chief of Communications. In this letter explain what you think the Obligation means. Describe how you have been fulfilling this Obligation in your unit and in your daily life, and how you have used your understanding of the Ordeal to aid in this service. Describe your specific plans for giving service in the Lodge program.

Join your Brothers, become a Brotherhood Member today!

February:

I am happy to inform you that our chapter is the first quality chapter in the lodge, but we can't relax now. We have set ourselves on a higher ground, and now we must stay up on that ground. To do that we need to continue to uphold our higher standards that we have set for ourselves. We must work hard to once again gain the quality chapter standard. To get the quality chapter we need our chapter members' help. So come to the chapter meetings, they are on the second Thursday of every month, at the vintage park drive LDS church. Another thing we need to do is that we need to do fundraising. We need ideas and people willing to work to get our budget through. We have an \$8000 dollar budget so we need the help to earn money so that we can run a quality program where we can buy new things for the chapter.

- Stephen Whitcomb, Chapter Chief

March:

The Chapter has gotten off on a good foot for our fundraising drive. On the 5th we operated a booth at the Soaring Eagle merit badge Saturday where we provided lunch and sold snacks out of a booth. I am also happy to say that we had some of the Arrowmen teaching merit badges at the event. I would like to thank, Justin Knox, Stephen Arndt, Ken Arndt, Tom Dove, Willie Dove, Alex Porter, Glen Whitcomb, and Denis Weiss, for helping out at this event. We have gotten off to a good footing on fundraising but we need more ideas and more people to help run them. We would really like to see you at our meetings. They are the second Thursday of every month at the vintage park LDS Church which is on the corner of Elk grove-Florin road and Vintage Park Drive. Lastly we need to fill some vice chief positions, if you think you got what it takes to be in a position of responsibility and are willing to take the time to take on that position of leadership, come to the OA Chapter meeting and check us out. Also, we are recruiting for our Ceremonies teams, if you think you would have the time to work on one of these teams and have the interest to do so, come to a meeting. Going back to the topic of Fundraising the chapter recently received patches, pins, and old OA books, we the chapter are now selling them on E-bay for money as a fundraiser so you can search for the seller "kendwitihum" on E-bay and see what we have on auction. The chapter also spent time at our last chapter meeting finalizing the District Camporee camp fire planning, we planed our May picnic and two other events. One event is planned for August where we are going to a river cats game and the other will be in the fall for a chapter "lock in". So if you are part of the Kendwit Ihum chapter, please make sure to come to the meetings to learn more about these fun events. We need you to make this chapter better, so please come to the meetings.

At the January chapter meeting we approved the budget and proposed 2006 chapter calendar. The budget will be submitted at the January COC. The 2006 calendar will be submitted to the Buttes Area district to assist in their planning. Not enough youth attended for the Election Team Training. The Advisor and VC of Inductions/Camping will recruit a total of at least 4 youth and schedule training ASAP. John Hammonds will look into the bead program and will be evaluated at the next chapter meeting. We also discussed how to get more youth to the meetings. We asked the youth at the meeting to find out why other members did not attend.

Ben Whiteley, Chapter VC Communication

February:

We've been busy training election teams and carrying out unit elections. Two elections have been held to date with four new candidates. We're working with the district to help plan the Spring Camporee. Our dance and ceremony team has lost many members; we're recruiting for new dancers and ceremony team members.

Garrett Tharp, Chapter Chief

March:

Here at KN we have just been as busy as ever. We have held four elections since the last COC. On March 8th and 9th, 2 youth were elected. Elections are going great. The number elected is down, but the youth elected look to have a bright future in the OA. We are also planning the Spring Camporee with the Buttes Area District. We will sell lunch as a fund raiser at the Spring Camporee. Anthony Lavy and Michael More attended the Blue and Gold for P66 and aided in the awarding of the Arrow of Light and other awards. The Kowaunkamish Chapter has taken over River Days at the request of the Buttes Area District. This event will be held the second weekend in October. We are also working on a Bowl-A-Thon fund raiser to be held sometime in June. Our next meeting is March 19th, 9AM to Noon in Live Oak.
